

SL-2430C Battery Powered Crimping & Cutting tool

24kN Powerful Output
TWO-IN-ONE
Applicability more extensive

- Quality guaranteed
Core parts are general utilization and standardization
- Ergonomic design
With light body
- OLED display shows battery percentage, working cycles, fault code, maintenance note

Technical data	SL-2430C
Rated pressure:	24kN
Stroke:	30mm
Rated power:	270W
Max. crimping range:	Cu 300mm ²
Max. cutting range:	φ30mm Cu/Al cable (It is not suitable for cutting fine strand and extra fine cables)
Battery:	18V 2.0Ah Li-ion
Charging voltage:	AC100-240V 50-60Hz
Charging time:	Approx.40mins
Weight:	2.3kgs
Tool size:	408×119×76mm (not include the jaws)

Accessories	
Crimping dies:	16,25,35,50,70,95,120,150,185, 240,300 mm ²
Crimping head:	1pc
Cutting head:	1pc
Battery:	2pcs
Charger:	1pc
Sealing ring:	1set

Cu 300mm² (suit for Tubular lugs)

φ30mm Cu/Al cable
(Non-fine strand and extra-fine strand)
